With the help and active participation of the community, Provincial Government of Isabela and PDRRMO initiated proactive actions in reducing disaster risk factors. The Provincial Government of Isabela always sees to it that that the communities affected are always assured in restoring their living condition by rebuilding and restoring their livelihood and reconstruct damaged infrastructures by developing it to be more resilient.

II. OTHER PROGRAM/PROJECT/ACTIVITY

PROGRAM/PROJECT/ACTIVITY	PROJECT DESCRIPTION	STATUS/REMARKS/ ACCOMPLISHMENT
RTF COVID-19 MEETING	Teleconference Meeting re: CoViD-19 with Cagayan Valley Regional Task Force for CoViD-19	As a member agency, Isabela PDRRM Officer P/BGEN JIMMY U RIVERA, SR. (Ret) MNSA/CESE, actively participated in Teleconference Meetings scheduled every Friday of the week; acquiring updates on general situation, guidelines, Issues and Concerns and other information regarding COVID-19.
PREPARATION FOR TS "DANTE"	Monitoring, Preparation, Text Blast and Emergency Meeting Re TS "DANTE"	In preparation for Tropical Storm "DANTE", the Provincial Disaster Risk Reduction and Management Office heightened its monitoring and pre-positioned rescue assets for the possible effect of the storm in the Province of Isabela. The office as well conducted Text Blasting for the awareness of the public. The PDRRMC convened in an Emergency Meeting to tackle the important matters as preparation re Tropical Storm "Dante". The availability of food packs for prepositioning as well as the preparation of Rescue Assets was also tackled during the meeting. Although the Province of Isabela will not directly be affected by TS Dante, there is still a strong possibility to experience scattered rain showers and isolated thunder

		storms according to Mr. Ramil B. Tuppil, Chief Meteorological Officer, PAGASA-DOST. As a pro-active action, still PBGEN Jimmy U Rivera Sr (Ret) requested the ISELCO to conduct pruning of trees especially along the national highway and instructed to coordinate on the Barangays to do the same in the inner streets.
MEETING RE “TS DANTE”	Pre-Disaster Risk Assessment (PDRA) Core Group Meeting	On June 2, 2021, Cagayan Valley Disaster Risk Reduction and Management Council (CVDRRMC) convened in a Pre-Disaster Risk Assessment (PDRA) Core Group Meeting via video teleconference in preparation to Tropical Storm “DANTE”. Likewise, the Isabela PDRRMO Operations and Warning Chief, Mr. Romanico D. Daguio presented the preparations, monitoring, actions taken and pre-deployment status of the PDRRMO-Isabela.
DIALOGUE WITH THE CAGAYAN VALLEY DISASTER RISK REDUCTION AND MANAGEMENT COUNCIL (CVDRRMC)	Review and Update of Standard Operating Procedures and Guidelines of Emergency Operation Center	The Cagayan Valley Disaster Risk Reduction and Management Council (CVDRRMC) presided over the dialogue regarding the review and update of Standard Operating Procedures and Guidelines of Emergency Operation Center last June 3, 2021 via video teleconference, attended by the Isabela PDRRM Officer PBGEN Jimmy U Rivera Sr (Ret) along with Local DRRMOs of the different provinces of the region. The importance of warning, advisories, bulletin and hazards maps was also discussed during the dialogue as well as the “Operation Listo” which aims to strengthen disaster preparedness.
ENHANCEMENT TRAINING	Water Search and Rescue (WASAR) Enhancement Training	As preparation for the coming rainy season wherein flooding is inevitable at times of continuous rain, WASAR Trained Personnel from Philippine National Police (PNP) and Bureau of Fire Protection (BFP) undergone an Enhancement Training on Water Search and Rescue (WASAR) under the supervision of PDRRMO/DART Rescue 831 Search and Rescue (SAR) team last June 3, 2021, in initiative of the Isabela PDRRM Office PBGEN Jimmy U Rivera Sr (Ret). The training was held at the PDRRMC-BFP Building and at the Cagayan River, Malalam, City of Ilagan.
INFORMATION, EDUCATION AND COMMUNICATION (IEC) CAMPAIGN	Information, Education and Communication (IEC) Campaign for the Downstream Municipalities of Magat Dam	PAGASA in collaboration with NIA-MARIIS and SNAP-MAGAT conducted the Information, Education and Communication (IEC) Campaign last June 14-16, 2021, for the ten (10) Downstream Municipalities of Magat Dam consisting of Municipalities of Ramon, San Mateo, Auroa, Cabatuan, Luna, Reina Mercedes, Burgos, Naguillan, Gamu including the Municipality of Alfonso Lista of the Province of Ifugao. The Information,

		<p>Education and Communication (IEC) aims to provide a program wherein agencies will share knowledge, innovative ideas and information that can enhance or improve the capacity of Local DRRMOs and community especially on monitoring of precursors of hazards thru modernized early warning system. These ideas will also increase their preparedness to cope or lessen the impact of these escalating hydro-meteorological hazards, specifically of flooding and landslide. During the program, PAGASA-DOST discoursed its lecture on understanding Hydro-Meteorological Hazards, Tropical Cyclone Wind System, Thunderstorm and Rainfall Warning System, Flood Dynamics in Cagayan River and Climate Outlook for the month of June to November 2021. NIA-MARIIS Magat Dam FFWSO presented the Flood Forecasting and Warning System for Magat Dam. Isabela-PDRRMO PBGEN Jimmy U Rivera Sr (Ret) and Research and Planning Chief, Mr. Mark Oliver A. Alimuc shared the DRRM Initiatives of the office in terms of preparedness particularly on disaster preparedness and water survival.</p>
<p>OCD TRAINING</p>	<p>Basic Incident Command System (BICS) Training</p>	<p>Incident Command System (ICS) is a standardized and institutionalized concept of management system in terms of managing an incident or emergency situation, this concept is also widely used in planned events. ICS implies an important role in emergency responses as it is purposely made to control an incident without compromising the safety of responders. In line with this, the Office of Civil Defense (OCD) conducted a six-day training on Basic Incident Command System (BICS) last June 14-19, 2021 through virtual platform. Attended by PDRRM Officer PBGEN Jimmy U Rivera Sr (Ret) MNSA, CESE and SAA-II, Mr. Teddie G. Gangan along with members of academe and other personnel and LDRRMOs of different LGUs in the region.</p>
