MANAGEMENT OFFICE**

**AUGUST**

**MONTH**

**Accomplishment Report**

**2021**

**YEAR**

**I. FOCUS AREAS**

PROGRAM/PROJECT/ ACTIVITY	EXPECTED OUTCOME	KEY RESULTS AREAS	STATUS/REMARKS/ ACCOMPLISHMENT
I. PREVENTION AND MITIGATION	Avoided hazards and mitigated their potential impacts by reducing vulnerabilities and exposure and enhancing capacities of communities	<ol style="list-style-type: none"> <li>1. Mainstreamed and integrated Disaster Risk Reduction (DRR) and Climate Change Adaptation (CCA) in local development, policies, plans and budgets;</li> <li>2. DRRM/CCA sensitive environmental management;</li> <li>3. Increased disaster resiliency of infrastructure systems;</li> <li>4. Community based and scientific DRR/CCA; and</li> <li>5. Risk transfer mechanisms.</li> </ol>	<ol style="list-style-type: none"> <li>1. Daily monitoring of water level and inflow/outflow of Magat Dam and continuous monitoring of coastal towns and of overflow bridges on the province;</li> <li>2. Safety measures were strictly observed in conducting Emergency Response, Inter-facility Transfer and Mobility Assistance. Assessing and knowing the condition and history of a patient was also emphasized particularly in catering Medical Transfers and Mobility Assistance; and</li> <li>3. The Office continuously conducts daily disinfection and thorough cleaning of work places, most especially ambulances and other office vehicles as well as the rescuers themselves after an emergency response to prevent the spread of the virus. In compliance with the Memorandum No. 77, the office is conducting daily disinfection to all offices within the Capitol building and compound as preventive measure against COVID-19 and other communicable diseases.</li> </ol>
II. PREPAREDNESS	Established and strengthened capacities of communities to anticipate, cope and recover from the negative impacts of emergency occurrences and disasters	<ol style="list-style-type: none"> <li>1. Community awareness and understanding of the risk factors;</li> <li>2. Contingency planning to include Incident Command System, Early warning systems, pre-emptive evacuation, stockpiling and equipping;</li> <li>3. Drills and simulated and field exercises; and</li> <li>4. Disaster response planning.</li> </ol>	<ol style="list-style-type: none"> <li>1. Isabela PDRRM Office are consistently disseminating and posting up-to-date details and advisories regarding incoming typhoons, weather disturbances, Magat Dam updates and advisories, national and local roads status, overflow bridges status, weather updates and sea condition in the coastal towns and safety protocols thru the different social media platforms and LED walls for community awareness; and</li> <li>2. Capacitating the community with the necessary skills, knowledge and enhancing their capability by conducting Community Based Disaster Risk Reduction and Management Trainings and other disaster related trainings that will help them cope</li> </ol>

			and recover with the impacts of disasters.
III. RESPONSE	Provided life preservation and met the basic subsistence needs of affected population based on acceptable standards during or immediately after a disaster	<ol style="list-style-type: none"> <li>1. Rapid Damage Assessment and Needs Analysis (RDANA) as a generic activity;</li> <li>2. Relief Operations;</li> <li>3. Search, Rescue, Retrieval;</li> <li>4. Dissemination/Information sharing of disaster related information;</li> <li>5. Water/Sanitation (WASH) and Health;</li> <li>6. Development/provision of temporary shelter;</li> <li>7. Psycho social support;</li> <li>8. Early recovery mechanism;</li> <li>9. Management of dead and missing;</li> <li>10. Evacuation Management;</li> <li>11. Social Protection and; intervention; and</li> <li>12. Civil and uniformed services intervention;</li> </ol>	<ol style="list-style-type: none"> <li>1. The office responded to a total of Eleven (11) Medical Incidents, responded to Twenty Four (24) Trauma Incidents; Twenty-two (22) of which are Vehicular Accident, Two (2) are Fall Incident, provided Fourteen (14) Mobility Assistance and a total of Three (3) Medical Evacuation (MEDEVAC) was provided for the month of August, 2021; and</li> <li>2. Continuous dissemination of information regarding on weather updates and gale warning advisories thru radio message for transmission and the social media and continuous coordination with Regional Task Force on COVID-19 and other concerned agencies as well as continuous acquiring and dissemination of information regarding COVID-19 updates, resolutions and guidelines.</li> </ol>
IV. REHABILITATION AND RECOVERY	Restored and improved facilities, livelihood and living conditions and organizational capacities of affected communities, and reduced disaster risks in accordance with the "building back better" principle	<ol style="list-style-type: none"> <li>1. Livelihood (1st priority)</li> <li>2. Shelter (2nd priority)</li> <li>3. Infrastructure (3rd priority)</li> </ol>	The safety and security of the Isabeños has always been the priority of the Provincial Disaster Risk Reduction and Management Office (PDRRMO) and the Provincial Government of Isabela as a whole. With the help and active participation of the community, Provincial Government of Isabela and PDRRMO initiated proactive actions in reducing disaster risk factors. The Provincial Government of Isabela always sees to it that that the communities affected are always assured by restoring their living condition by rebuilding and restoring their livelihood and reconstruct damaged infrastructures by developing it to be more resilient.
