## **ACCOMPLISHMENT and STATUS REPORT**

For the month of February 2018

## **1. PROGRAM OVERVIEW**

BRO for Education is the local government unit's Provincial Scholarship Program. With BRO-Ed, every farmer-family is guaranteed a college scholarship slot as a special assistance to small farmers who dream of having at least one college graduate in the family. This aims at reducing the financial burdens of farmers in the education of their children, motivating them towards greater productivity.

The program has two components, the Academic Scholarship Program for children of farmers who graduated from high school with honors (Valedictorian to 12<sup>th</sup> Honorable Mention) and the Non-Academic Scholarship Program or the regular scholarship for farmers' children who are interested to pursue college education even without high school honors. Regular scholars' benefit is FREE TUITION FEE (not exceeding 3,000.00) in Isabela State University and Philippine Normal University while Academic Scholars enjoy CASH ALLOWANCE (ranging 3,000 to 5,000) every semester.
