3. **Enforcement of Mining and Quarrying Laws and Ordinances**

The Office conducted regular monitoring of all mining and quarry areas regarding strict enforcement and implementation of Provincial Ordinance No. 5, series of 2014. Strong partnership with LGUs having sand and gravel extraction activities is manifested thru continuous dialogues and meetings together with the permittees and operators. Regular monitoring of delivery receipts and submission of reports as required by the Ordinance is being complied with and regularly counterchecked by our field officers.

4. **Site Verification and Inspection of Mining/Quarry Sites**

**Quarry Inspection** - Field verification was conducted by ENR personnel at the applied quarry areas of permittees within the province. The inspection aims to validate the quarry areas based on survey plans submitted to this office.

**Field Monitoring of Quarry Areas**

Teams from the ENRO Personnel and Isabela Environment Protection - Task Force (ISEP-TF) were dispatched to conduct regular monitoring, field inspection and verification of sand and gravel extraction activities within the twenty two (22) municipalities covered by forty five (45) barangays. These quarry areas were being operated by thirty one (31) permittees. The team also assisted the PTO in the collection of fees and taxes due to the province.

Monitoring of sand and gravel extraction activities were conducted thru the use of reports, daily monitoring forms and delivery receipts regularly submitted to the Office by the checkers. Upon reconciliation, said records were forwarded to the Office of the Provincial Treasurer. As of October 2017, a total volume of **Six Hundred Two Thousand Nine Hundred Twenty Two** and

**42/100 cubic meter (602,922.42cu.m.)** of mineral and quarry resources were extracted with corresponding gross payment collected amounting to **Twenty Three Million One Hundred Eighty Eight Nine Hundred Ninety Nine and 70/100 Pesos (Php 23,188,999.70).**

Monthly Trend on Mineral and Quarry Extraction in Cubic Meters as of October, 2017

**Monitoring of Minahang Bayan in Dinapigue**

Regular monitoring on the status/activities of the Minahang Bayan area located at Sitio Dimakawal, Bucal Sur/Bucal Norte, Dinapigue, Isabela were being conducted by ENR Personnel. Together with the DENR, Municipal LGU, PNP, BLGU, and other stakeholders, the team conducted series of ocular inspections in the area to prevent illegal mining activities that may sometimes occur.

Validation Team looking at the small creek near proposed Minahang Bayan.

On March 13-17, 2017, the ENRO Personnel conducted field validation on the alleged siltation of Ditapigue River caused by quarry/mining activities at the proposed Minahang Bayan. Based on report submitted, equipment were observed which used on the ongoing rehabilitation of the proposed Minahang Bayan and evidence of extraction of resources, newly removed ball-mill machine and old stockpiles and the team also observed that the creek located near the Minahang Bayan is connected to Ditapigue River and can possibly causes siltation especially during heavy rains. Hence, it was recommended to immediately put-up silt ponds/protective barriers along the Minahang Bayan area to avoid possible siltation of Ditapigue River.

One of the stockpiles of mineralized materials observed by the team.

On May 30 to June 3, 2017, the ENRO Personnel together with DENR-MGB representative conducted validation of the reported stockpile of mineralized materials. As per validation there were 3 stockpiles of mineralized materials observed with a total volume of 10,800 cu.m. the team also recommended the conduct of metallurgical analysis to determine the economic value of said stockpiles.

5. Conflict/Dispute Resolutions

a. **Alleged Illegal Quarrying Activities**

**Paculagu Creek, Cabagan and Sta. Maria**

In response to the letter received by this office from concerned citizens living near the Paculagu Creek regarding alleged quarrying activities along the said creek. ENRO personnel concerned conducted inspection and investigation. Based on the investigation conducted, there were three quarry areas observed and traces of quarry operation as well as equipment were present during the investigation. It was also identified that the quarry operators were Mr. Reynaldo Atuan and Northern Luzon-Golden Rabbit Corporation. The team then contacted said operators and advised them to refrain from quarrying operation. Moreover, the office issued Cease and Desist Order to the identified operators since there were no applied Commercial Sand and Gravel Permit in the area.

**San Mateo, Isabela**

In response to the letter of Hon. Crispina Agcaoili, Mayor of the Municipality of San Mateo requesting this office to conduct ocular inspection of the different commercial sand and gravel (CSAG) areas located within the jurisdiction. ENRO personnel concerned together with MLGU representatives conducted inspection of quarry areas. Based on the inspection report, quarry operations were observed at CSAG areas of Barangays Sinamar Norte, Old Centro Proper, Mapuroc and San Roque. However, permittees of said CSAG areas failed to renew their CSAG permits during the time of inspection. Hence, the office issued Stoppage Order to quarry permittees until they comply with the requirements stipulated under Ordinance No. 05 series of 2014.

For. Ronilo Juan instructed dumptruck driver to put-up protective covering before leaving the quarry area.

**Aurora, Isabela**

In response to the verbal instruction of ENR Officer regarding the temporary suspension order issued by the Hon. Mayor, William T. Uy dated October 5, 2017 on the quarry operation the vicinity of Aurora, Isabela, ENRO Personnel concerned together with the LGU representative conducted inspection of quarry sites at Brgy. Panecien, Saranay, Macatal, Kalabasa, Sili, San Pedro, San Pablo, and Apiat. However, at Brgy. Panecien, there were no excavating, hauling, extracting and transporting of sand and gravel and at Brgy. Panecien, there was a gravel pit found in the area and the team had a dialogue with Mayor William T. Uy and explained the rationale in issuing Executive Order No.7 series of 2017. In conclusion, the team instructed/recommended to the contractors/haulers the following for their strict compliance and for Aurora Employees Multi-Purposed Cooperative (permittee) to make reconciliation.

ENRO personnel together with LGU representative doing the inspection of quarry sites.

**b. Dialogue with Municipal LGU and Stakeholders**

**Delfin Albano, Isabela**

In compliance to travel Order Nos. 1289 and 1290, the ENR Officer and staff proceeded to Delfin Albano, Isabela to attend dialogue relative to the identification of proposed site for quarry area as per request by Hon.Arnold P. Co, Municipal Mayor of said town. The main discussion was on possible quarry areas being proposed by the Brgy. Captain for applications in which Mayor Co requested the assistance of ENRO to conduct field inspection of their proposed areas. Hence, ENRO PERSONNEL together with the MPC, Municipal Engineer and Barangay Captains proceeded to quarry areas for inspection.

**Benito Soliven**

In compliance to the invitation dated October 9, 2017 to attend meeting conducted by Sangguniang Bayan Committee on October 11, 2017 regarding quarry activities within their jurisdiction. The committee read the complaint letter of the 100 complainants regarding the quarry operations at Purok 2, Yeban Sur and claimed that it can potentially damage

their farm lots nearby. The committee chair asked the ENRO representative if there is/are quarry permits issued within their jurisdiction. ENRO Personnel reiterated that there was no quarry permit issued within the municipality but some person had paid pre-payment (quarry taxes) to the PGI. The committee then decided to conduct actual inspection to the area to validate the complaint and recommend the temporary stoppage of quarry operations at the said area to their regular SB Session and to the Municipal Mayor.

**Dinapigue, Isabela**

In compliance to Office Order No. 7128 dated October 19, 2017, the ENR Personnel proceeded to Dinapigue, Isabela in response to the letter of the Hon. Samuel P. Cariño, Liga na Mga Barangay President dated October 12, 2017 concerning the mining operation at Sitio Dimakawal. The ENR Personnel discussed updates and answered issues/concerns of residents pertaining to the proposed Minahang Bayan during the 3-day assembly meetings scheduled as follows:

| Date             | Barangays               |
|------------------|-------------------------|
| October 24, 2017 | Ayod & Dimaluadi        |
| October 25, 2017 | Bucal Norte & Bucal Sur |
| October 26, 2017 | Dibulo & Digumased      |

**6. Provincial Mining Regulatory Board (PMRB) Meetings**

As member of PMRB, this office had organized three (3) regular meetings this year to settle issues and concerns regarding the utilization of mineral resources in the province and to evaluate & endorsed CSAG application permits and other permits to the Provincial Governor for his approval.

During the third regular meeting conducted last October 23, 2017, the PMRB decided not to endorse Permit Applications without complete documents/requirements especially an approved Environmental Compliance Certificate from DENR-EMB. Further, the office advised those quarry permittees to refrain from quarry operations until they comply with the necessary requirements.

**7. Field Identification, Assessment and Verification of Proposed Minahang Bayan**

As approximate area One Thousand Four Sixty Five Hectares (1,465 ha) was identified, assessed and verified for the proposed Minahang Bayan Sitios Dipogo, Dingading and Jet at Barangays Rizal and Dicamay ,San Guillermo, Isabela.

**8. IEC Activities in Support of Mining and Quarrying Operations**

- ✓ **October 26, 2017** - Conducted Capability Building together with MGB-R02-counterparts for Small-Scale Miners at Brgys. Anonang and Camarao, Cordon, Isabela participated by 110 stakeholders.
