

I. FOREST MANAGEMENT AND CONSERVATION DIVISION

A. Forest Resources Development Activities:

1. Nursery Operations & Maintenance Works

For the month of January, we have a seedling stock of **25,910** assorted fruit-bearing and forest trees. These were those among last year's seedling stock which were assessed as unqualified for out-planting and still requires hardening. A total of **410** seedlings have been disposed to requesting constituents while a **0.2%** mortality equivalent to **52** seedlings was recorded. The remaining stock balance for the month is **25,448**. Since its fruiting time for some forest tree species, seed collection was done for more propagation.

Seeds of *Ipil* (*Intsia bijuga*) collected from the mother trees located at the back of ENR Office.

There are six (6) laborers hired to conduct regular nursery activities augmenting the technical personnel assigned in the Provincial and Clonal nurseries.

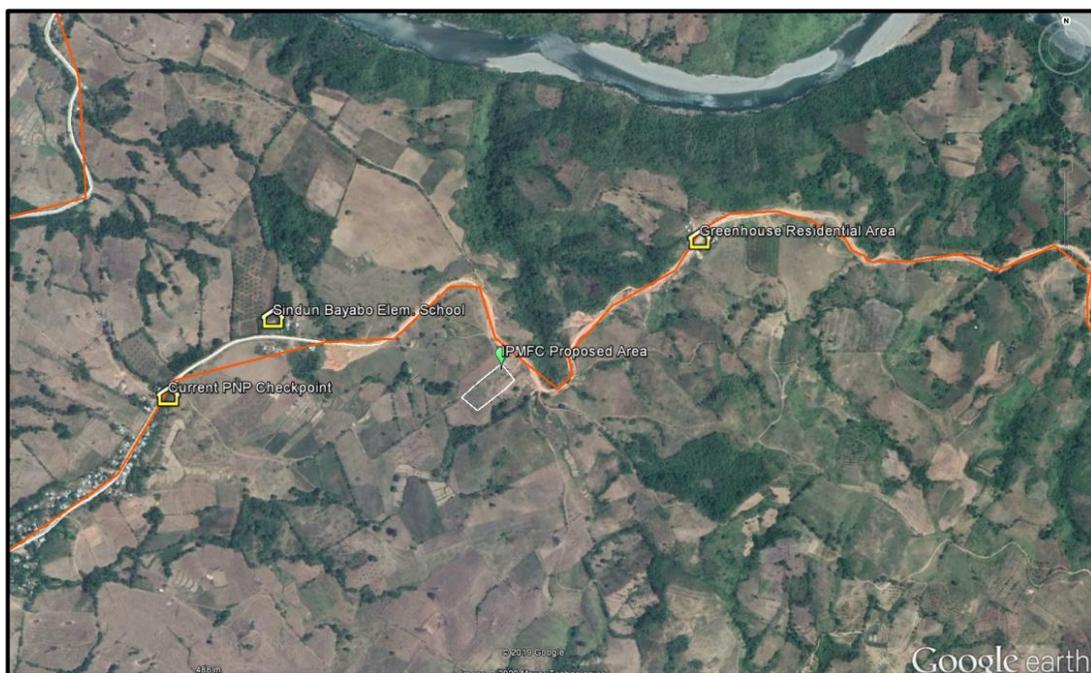

2. Activities Undertaken in Support of IDRRIP

To ensure development of the reforestation areas established, personnel of this office conducted monitoring of the planted seedlings during the RTA: One Million Trees One Day Tree Planting Project last December 2019. Activities done include ring-weeding and replanting in replacement of seedling mortality.

Moreover, this office joined personnel of DENR-CENRO Naguilian in the conduct of field survey of potential area for the establishment of Isabela Police Mobile Force Company (IPMFC) Monitoring point at Barangay Sindon Bayabo, City of Ilagan. Based on assessment, there are no available vacant lots for the above purpose at the preferred area along the highway. They have identified a potential area just few meters away from Sindon Bayabo Elementary School and Greenhouse residential area; an elevated portion at Kilometer 3 of the Ilagan-Divilacan Road. Nevertheless, the team recommended the IPMFC to conduct their field assessment/evaluation of the proposed area to determine its suitability as location of monitoring point.

B. Forest Protection and Law Enforcement:

1. Manning of Checkpoints

Among the six (6) checkpoints manned and maintained 24/7 by ISEP-TF Operatives, only the roving team concentrates on forest protection as the others were assigned to man different quarry outlets province-wide. The team conducted surveillance, foot and mobile patrolling to detect any illegal gathering and transport of forest products.

At the same time, they conducted maintenance, protection and monitoring of the IDRRIP plantation areas.

2. Donation of Forest Products

A total of **359** pieces equivalent to **7,368** board feet of common hardwood species were donated to the Isabela Farmers & Former Rebels Agriculture Cooperative (IFRAC) and others were used to various programs and activities of the provincial government to include the establishment of Task Force "Oink-oink" monitoring checkpoint, security frames and signages, and others.

II. ENVIRONMENTAL MANAGEMENT DIVISION

A. Search for the Most Environment Friendly Barangays

For the culmination of the 2019 Search for the Most Environment Friendly Barangays, the Provincial Government of Isabela thru this Office led the awarding of certificates and cash prizes to the winning barangays during the Monday Flag Raising Ceremonies last January 20, 2020. The eight (8) non-winning barangay-entries awarded with consolation prizes amounting to Ten Thousand Pesos (₱ 10,000.00) each were the following:

1. Barangay San Juan, Quirino, Isabela
2. Barangay Buneg, Echague, Isabela
3. Barangay Dicaruyan, Divilacan, Isabela
4. Barangay San Juan, Quirino, Isabela
5. Barangay Malannao, Angadanan, Isabela
6. Barangay San Andres, Cabatuan, Isabela
7. Barangay Yeban Norte, Benito Soliven, Isabela
8. Barangay Camarag, San Isidro, Isabela

B. Vermi-composting Facility

To fully operate this facility, this Office maintained two (2) job-order laborers complementing the technical personnel assigned. Out of the 2,500 kilograms collected dried leaves, animal manures and other substrates, a total of **Nine Hundred Eighty (980) Kilograms of organic fertilizer (vermicasts) were produced** for the month of January 2020.

In addition, the composting facility equipment specifically the shredder is also being utilized to assist in degrading materials for the vermin-worms. Continuous collection of organic materials is being implemented.

C. Site Verification and Inspection of Mining/Quarry Sites

Field Monitoring of Quarry Areas

To strictly implement Ordinance No. 5, Series of 2014 of the province, the Environment and Natural Resources Office Personnel together with the Thirty Eight (38) Isabela Environment Protection - Task Force (ISEP-TF) operative members were dispatched to conduct regular monitoring, field inspection and verification of sand and gravel extraction activities within the twenty seven (27) city and municipalities covering ninety one (91) barangays.

For this month, a total of **74,166.32 cu. m.** of quarry resources were extracted representing 13,517.32 Boulders, 3,493.00 G1/S1, 57,154.00 Mixed and 2.00 cu.m Ordinary Earth with corresponding gross tax amounting to **Two Million Nine Hundred One Thousand Eighty Seven pesos and 60/100 (P2,901,087.60) only.**

Monitoring reports together with the delivery receipts are submitted regularly in the office.

IV. OTHER ACTIVITIES

A. Activities in relation to Philippine Rural Development Project – Social & Environmental Safeguards

Conducted evaluation of two completed PRDP sub-projects nominated for recognition at the PRDP-PSO level namely the Capirpiriwan Diversion Dam, Capirpiriwan, Cordon, Isabela and Tilapia Production and Marketing Enterprise, Planas, Ramon, Isabela.

B. Distribution of Roller Bins and maintenance of surroundings in support to Bambanti Festival – Roller bins were put-up in strategic locations within capitol vicinities to ensure proper waste disposal during the week-long 2020 Bambanti Festival Celebration of the province.

ENVIRONMENT AND NATURAL RESOURCES OFFICE

C. Attendance to the 1st Coastal Law Enforcement Conference on January 21-22, 2020 at Piazza Zicarelli Hotel & Restaurant.

The Provincial Government of Isabela represented by personnel of PPDO, SPCICD and this Office attended the 1st Coastal Law Enforcement Conference organized by DENR Isabela. All stakeholders including the provincial government presented their respective coastal-related programs, projects and activities. Further, laws governing coastal resources particularly on wildlife, marine and fisheries were elaborated by speakers from DENR and DA-BFAR which became the main subject during the open forum.

The conference was intended to establish a Law Enforcement Network within the Northern Sierra Madre Natural Park and harmonize all efforts of stakeholders in the enforcement of coastal protection and conservation laws in the province.
