# Bambanti Festival Planning and Operations

The Public Safety Office, in full coordination with the Isabela Police Provincial Office, Provincial Security Group as well as various departments of the Provincial Government of Isabela began preparing for the Bambanti week-long festival as early as December 2017 through budget and over-all operational meetings and walk-throughs.

PSO personnel, together with assigned Provincial Security Group volunteers worked hand-in-hand to ensure adequate parking, traffic and crowd control signages are prepared and installed prior to the scheduled onset of activities.

PGI Safety Officers as well as volunteer groups such as the Kabalikat Civicom / Radiocom, Motorcycle enthusiasts helped shepherd visitors and tourists as they transfer from one event to another throughout the whole Bambanti Village and the Provincial Sports Complex wherein the street-

dance competition and other cultural events and concerts were held.

Pedestrian and vehicular traffic maps were distributed among the group to ensure seamless execution according to plan and make certain volunteer groups are on the same page.

With events like street dances, showdown competitions, street performances, search for Bambanti Festival King and Queen, and the Isabela's Master Kusinero Cooking Contest, Bambanti Festival 2018 proved to be one of the most well attend-

ed events since its inception on the year 1997.

Due to the expected increase in volume of tourists and visitors, PGI employees, LGU representatives and volunteer Isabelinos in general worked tirelessly to adapt and make sure the event would be as hassle free and an enjoyable experience for everyone who came and joined the festivities.

To ensure unhampered enforcement of various Road Safety Laws such as the Governor's Executive Order No. 18, s. 2014, the Public Safety Office caused the renewal of Deputation licenses for our PNP-PDRRMC Quick Response Motorcycle Riders for the year 2018.

The new licenses were issued by the Region II Land Transportation Office on January 18, 2018, signed by the newly installed Regional Director, Romeo Solomon Sergio A. Sales and coursed through the Public Safety Office for distribution to the current batch of PNP riders who were initially tasked to operate within the province for the previous year while the selection process for new riders who will undergo LTO deputation training, First responder training, Highway Patrol Group

Motorcycle riding seminar and Law Enforcement Officer workshops are being coordinated with the Isabela Police Provincial Office to increase headcount and ensure a wider coverage of road safety operations across the Province.
