2018

YEAR AT A GLANCE

PROVINCE OF ISABELA

ANNUAL ACCOMPLISHMENT REPORT

For the year 2018, the Public Safety Office, led by department head Atty. Constante A. Foronda, Jr., together with Jimmy U. Rivera Sr., Assistant department head and concurrent Provincial Security Group Officer-in-Charge participated in various activities for the Province. The Office joined various coordinating meetings, capability enhancement trainings and worked on confidential matters in line with the initiatives and orders of the Governor. PSO personnel continue to support the various programs and activities of the Office, true to its mandate of providing training and community awareness programs, facilitate coordinating meetings and produce updated Safety IEC materials by constantly researching new safety measures and acquiring skills and knowledge thru various

trainings related to Safety and Health programs.

The Office, tasked to monitor and facilitate implementation of various Road Safety Laws across the Province thru the PNP-PDRRMC Quick Response Motorcycle Riders also known as the EO 18 Riders, continue to monitor operations, provide necessary reports and spread Road Safety Awareness by distributing Road Safety tips, Road Safety Program Laws and Ordinances Handbook to LEO's and flyers through various platforms such as the Farmers Congress Reloaded and Social Media.

The Office joined Road Safety activities, facilitated the training and continue to monitor the deployment of the 2nd batch of PNP-PDRRMC Isabela Provisional Police Motorcycle Unit

alongside the 1st batch of riders and the LTO operatives.

The Public Safety Office joined and facilitated the 2018 National simultaneous Earthquake Drills from the 1st to 4th Quarter at the Isabela Provincial Capitol Grounds in full coordination with the Provincial Risk Reduction and Management Council, Philippine National Police, Bureau of Fire Protection, Provincial Security Group as well as other Government Line Agencies.

Increased Road Safety awareness and Law Enforcement continue to be one of the main objectives as various Road Safety Council meetings and summits were held throughout the year.

THE CULTURE OF SAFETY AND SECURITY

THE WELFARE OF THE PEOPLE IS ALWAYS AN IMPORTANT MEASURE OF A COUNTRY'S DEVELOPMENT. AS THE GOVERNMENT MOVES TOWARDS IMPROVING THE LIVES OF FILIPINOS. WE, THE PROVINCIAL GOVERNMENT OF ISABELA, PARTICULARLY AT THE PUBLIC SAFETY OFFICE AND THE PROVINCIAL SECURITY GROUP, BELIEVES THAT SHARING OUR STRONG COMMITMENT TO SECURITY, SAFETY AND HEALTH IS ANOTHER WAY WE CAN CONTRIBUTE TO MOVING THE COUNTRY FORWARD.

SECURITY, SAFETY AND HEALTH IS THE OVERARCHING VALUE OF PGI/PSO/PSG. THE PROVINCIAL GOVERNMENT OF ISABELA STRONGLY BELIEVE THAT A SOLEMN COMMITMENT TO THIS IS SIMPLY INSEPARABLE FROM A GOVERNMENT ENTITY THAT PROVIDES SERVICES FOR THE

PEOPLE. THE PROVINCE LIVE BY THIS PRINCIPLE, BY EXERTING GREAT EFFORTS SO THAT THE DELIVERY OF SERVICES IS MAXIMIZED.

FOR THE PAST YEARS, THE PROVINCE HAVE INVESTED MUCH TO IMPROVE THE SAFETY, SECURITY AND HEALTH PERFORMANCE OF OUR FACILITIES AND EMBED ITS IMPORTANCE INTO OUR PEOPLE. WE ARE PROUD OF HAVING MADE SIGNIFICANT GAINS IN MAKING OUR WORKING ENVIRONMENT SAFER AND HEALTHIER AND WE WILL CONTINUE EFFORTS TO NURTURE THIS CULTURE OF SAFETY AND SECURITY.

BUT EVEN AS WE WORK ON OUR INTERNAL IMPROVEMENT, WE BELIEVE THAT IT IS TIME THAT WE DO MORE TO MAKE OUR STAKEHOLDERS VALUE IT AS MUCH AS WE DO. A MINDSET OF SECURITY AND SAFETY IS RELEVANT BEYOND OUR FACILITIES AND WE ARE DOING MORE SPREAD THIS OUTWARDS.

OUR PEOPLE FULLY UNDERSTAND THE IMPORTANCE OF SECURITY AND SAFETY, AND WE CONTINUOUSLY ENCOURAGE THEM TO BE ADVOCATES IN THEIR OWN RIGHTS, SHARING

THIS MINDSET TO THEIR LOVED ONES.

TO MAKE OUR CONSTITUENTS STRONGER PARTNERS IN OUR SECURITY AND SAFETY DRIVE, OUR SAFETY AND SECURITY TEAMS HAVE BEGUN ENGAGING THEM ON THIS TOPIC AND ARE GLAD TO SEE MAJOR IMPROVEMENTS THAT BENEFIT OUR PEOPLE AND SERVICES. WE, WITH THE FULLY SUPPORTIVE ISABELA LEADERS, ARE COMMITTED TO CONTINUING THIS PROGRAM.

PGI/PSO/PSG HAS BEEN WORKING CLOSELY WITH ITS VARIOUS GOVERNMENT, NON-GOVERNMENT AND CIVIL SOCIETY GROUPS, THE YOUTH MORE PARTICULARLY.

WE ARE HOPEFUL THAT THIS EFFORTS WILL INCREASE THE ADVOCATES OF SAFETY AND SECURITY IN THE PROVINCE OF ISABELA THAT WILL ULTIMATELY CONTRIBUTE TO NATION BUILDING AND A BETTER FUTURE FOR ALL OF US.

Bambanti Festival Planning and Operations

The Public Safety Office in full coordination with the Isabela Police Provincial Office, Provincial Security Group as well as various departments of the Provincial Government of Isabela began preparing for the Bambanti week-long festival as early as December 2017 through budget and over-all operational meetings and walk-throughs.

PSO personnel, together with assigned Provincial Security Group volunteers worked hand-in-hand to ensure adequate parking, traffic and crowd control signages are prepared and installed prior to the scheduled onset of activities.

PGI Safety Officers as well as volunteer groups such as the Kabalikat Civicom / Radiocom. Motorcycle enthusiasts helped shepherd visitors and tourists as

BAMBANTI FESTIVAL 2018 VILLAGE

they transfer from one event to another throughout the whole Bambanti Village and the Provincial Sports Complex wherein the street dance competition and other cultural events and concerts were held.

Pedestrian and vehicular traffic maps were distributed among the group to ensure seamless execution according to plan and make

certain all volunteers are on the same page.

With events like street dances, showdown competitions, street performances, search for Bambanti Festival King and

Queen, and the Isabela's Master Kusinero Cooking Contest, Bambanti Festival 2018 proved to be one of the most well attended events since its inception on the year 1997

Due to the expected increase in volume of tourists and visitors, PGI employees, LGU representatives and volunteer Isabelinos in general worked tirelessly to adapt and make sure the event would be as hassle free and an enjoyable experience for everyone who came and joined the festivities.

1st Quarter National Simultaneous Earthquake Drill

The Public Safety Office and the PGI Safety Officers, in full coordination with the PDRRMO Dart Rescue 831, Philippine Red Cross - Isabela chapter representatives among other volunteer groups once again responded to the call of the Office of Civil Defense in conducting the 1st Quarter National Simultaneous Earthquake Drill last February 15, 2018 at exactly 2:00 pm.

The Bureau of Fire Protection acted as observers for the said event and provided the customary critique at the Balai Isabela Conference Hall immediately after the event.

Various scenarios were prepared by the Dart 831 Emergency Medical Technicians to make the Drill as close as possible to the real thing, even adding a breakout fire scenario wherein BFP personnel from the Isabela Provincial station provided a fire-fighting simulation

ROAD SAFETY COORDINATING MEETING WITH IPPO/ COUNCIL MEETING

The Public Safety Office, in full coordination with the Isabela Police Provincial Office, held a meeting last June 14, 2018 at the GFNDY Hall, Provincial Capitol, City of Ilagan, Isabela.

Town and City Chiefs of Police, together with their investigators and representatives attended the said meeting aimed at improving Road Safety and to report on the current state of Road accidents in their respective areas.

The meeting between the Provincial Government of Isabela was facilitated by the Public Safety Office in order to

ROAD SAFETY

get a feel of the current implementation of Road Safety laws and more importantly gather feedback to be used as basis for resolutions being discussed by the Road Safety Council, to which the Isabela Police Provincial Office is also a member.

It was noted thru the reports that one major cause of road crashes within the Region and most specifically, the Province for the last 2 years (IPPO report covers January 2017-May 2018) involved motorized Tricycles traversing National highways which resulted to 520 accidents and 225 fatalities.

LTFRB, DOTr, DILG : CAPABILITY BUILDING AND LOCAL PUBLIC TRANSPORT ROUTE PLANNING AND MANAGEMENT COURSE

As part of the group composed of personnel from the Office of the Provincial Engineer, Provincial Planning and Development Office and Public Safety Office sent to attend the LPTRP training course, PSO personnel Manuel Cesar G. Binag IV and Francis David G. Gangan proceeded to attend said training last August 13-17, 2018 held at Japi Hotel and Convention center, Cauayan City, Isabela. Counterpart City and Municipal LGU personnel across the Province also attended said event initiated by the LTFRB, DILG and DOST.

Various workshops

and lectures with regards to local transport modernization, QGIS and JICA-STRADA planning software and data gathering methods were introduced by lecturers Sir Joel Bolano, then LTFRB Region II Director Nash Talipasan and LTFRB Engineer Joel Salvador. Days 1 and 2 was mostly classroom training regarding the various programs and initiatives from the LTFRB and importance of consolidating Local Transportation data from the LGU

themselves for route planning and franchising. The 3rd to last day of training involved data gathering, systems familiarization and practical application of the topics discussed as the participants were grouped into 3 and were given separate tasks and sent to different areas for conducting the surveys. As part of the activities to complete the seminar, participants were tasked to survey local transport routes by recording vehicle registration numbers for a specific route, examining Origin-Destination and encoding the same on the QGIS application in preparation for JICA-Strada upload (LTFRB system/Application used for Transport Routing.)

LTFRB, DOTr, DILG : CAPABILITY BUILDING AND LOCAL PUBLIC TRANSPORT ROUTE PLANNING AND MANAGEMENT COURSE SESSION 2

As part of the group composed of personnel from the Office of the Provincial Engineer, Provincial Planning and Development Office and Public Safety Office Technical Working Group sent to attend the LPTRP training course, PSO personnel Manuel Cesar G. Binag IV and Francis David G. Gangan proceeded to attend the second session of the LPTRP and Management Course training last September 3-7, 2018 held at Japi Hotel and Convention center, Cauayan City, Isabela. Counterpart City and Municipal LGU personnel across the Province also attended said event initiated by the LTFRB, DILG and DOST.

A review of past lectures regarding local transport moderni-

zation, Data Collection and Demand-Supply analysis were discussed by lecturers Architect Konstantine Koh and Engr. Aileen Mappala. Days 1-3 was mostly classroom training involving a review of the various programs and initiatives from the LTFRB and LPTRP document preparation using Local Transportation data from the LGU themselves for route planning and franchising as well as integration of several CLUP data to show population, facility and infrastructure usage, school and house utilization and zoning. Participants

were sent to various sites within Cauayan City to observe and utilize the updated and simplified survey forms given by Architect Koh. The 4th to last day of training involved data gathering, workshop and preparation of the draft LPTRP document and practical application of the topics discussed. A final preparation period of 6 months starting from September 10, 2018 was given for the Province to collate and consolidate all LPTRP plans and routing documents for submission to LTFRB.

All in all, we, the PSO and PGI personnel Technical Working Group who attended the training learned a lot and understood the principle of Local Transport Planning and Route Management.

“EO 18 RIDERS BATCH 2”

(ISABELA PROVISIONAL POLICE MOTORCYCLE UNIT BATCH 2)

The Isabela Provisional Police Motorcycle Unit, more popularly known within the Province as the “EO 18 riders”, recently had a major upgrade in terms of manpower, training and equipment. A brainchild of the Provincial Governor, the concept of creating a quick response motorcycle unit from the ranks of the Philippine National Police equipped with skills and knowledge on Road Safety Laws, First Responder education and Land Transportation Office enforcer deputization came into fruition on the year 2015 in order to supplement Local Government Unit operatives in responding to emergencies and enforcing Road Safety Laws such as Executive Order no. 18, series of 2014, hence the moniker “EO 18 riders”. Initially, 16 motorcycle

units out of the planned 48 units and 16 PNP riders constituted the first batch as they started operations across the Province as Deputized Law Enforcers mid-2016 together with the Highway Patrol Group and Land Transportation Office operatives.

As of 2018, the Provincial Government of Isabela, true to the Governor’s initial vision, acquired additional motorcycle units to complete the 48 initially planned for during project inception 3 years prior. Upon learning of this development, the Isabela Provincial Police Office provided 32 new riders from their ranks through the coordinated efforts of the Isabela PDRRM Council and the Isa-

abela Public Safety Office for a series of trainings and seminars for 8 days which constituted of a 3-day Motorcycle riding course facilitated by the Highway Patrol Group-Region 2, a 3-day First Responder training (Basic Life Support, First Aid and Cardio-Pulmonary Resuscitation) facilitated by the Isabela PDRRM-O Dart 831 Emergency Medical Technicians and a 2-day Land Transportation Office Law Enforcer deputization training from October 15-23, 2018.

On October 29, 2018, the Provincial Governor, together with the Provincial Public Safety Officer symbolically turned-over the keys to the new motorcycle units to the Philippine National Police at Camp Adduru, Tuguegarao City, Cagayan during the 117th Police Service Anniversary.

ISABELA POLICE MOTORCYCLE UNIT CONTINUOUS EDUCATION

The Public Safety Office, in full coordination with the ISABELA POLICE PROVINCIAL OFFICE, conducted a series of trainings and consultative meetings with the Road Safety Council as well as the 2 batches of Isabela Police Motorcycle Rescue Unit to further enhance their capabilities, knowledge and streamline the process on Road Safety Law enforcement.

Lectures on Law Enforcement Officer Standard Operating Procedures, Guidelines on apprehending Driving Under the Influence of Drugs / Driving under the influence of Alcohol offenders (RA 10586), Guidelines on issuing Temporary Operator's Permit, Guidelines on Filing Criminal Cases as well as reviews of existing National

and Local Laws and Ordinances were conducted throughout the month facilitated by Land Transportation Office representatives, Public Safety Officer and Assistant Public Safety Officer to ensure proper understanding and hassle free implementation of the Road Safety Laws across the Province.

Updated copies of existing Laws and Ordinances and the Laws and Ordinances Handbook which is a part of the Road Safety Program of the Provincial Government of Isabela were reviewed and distributed to each member of the Road Safety Council as well as the members of the Isabela Police Motorcycle Unit.
