Tomas and Tumauni and visited the Centenarians of Isabela. These centenarians are those who were not able to attend during the Elderly Filipino Week Celebration due to disabilities and illnesses. In coordination with their Municipal Social Welfare & Development Office (MSWDO) and Federation of Senior Citizens Associations of the Philippines(FSCAP) officers, the group went to their respective residence to award the cash gift of P10,000 wheelchair & an eco-bag with a towel.

As expressed by their immediate family members, the cash gift is a great help for the physical needs of their SC family member. Despite of their hearing disabilities, their visions are clear and with the gifts extended to them, a radiance of smile is reflected on their faces.
